[EPA's Water Tests in Wyoming Town Flawed, Oil Group Says](#)  
 Businessweek

Testing methods used by the Environmental Protection Agency in a Wyoming town where residents blame hydraulic fracturing for water contamination are flawed, and an updated analysis doesn't show drilling tainted the aquifer, an industry group said.

[MILLOY: EPA's illegal human experiments](#)  
 Washington Times

The U.S. Environmental Protection Agency (EPA) has been sued in federal court for allegedly conducting illegal experiments on human beings. The case tests whether a government agency can violate the law and the most sacrosanct ethics of scientific ...

[EPA: Deal in place for Elmwood Park cleanup](#)  
 STLtoday.com

Chris Whitley, an EPA spokesman in Kansas City, said the agreement is meant to obtain more data to better identify a plume of contaminated groundwater extending from the plant site as well as any areas that need to be immediately cleaned up. Data will ...

[US EPA telephone tip line produces mixed results](#)  
 Akron Beacon Journal (blog)

Ranging from credible to dubious, from coherent to irrational, the hundreds of tips that U.S. EPA received through its "Eyes on Drilling" tip line paint an eclectic picture of the fears that plague residents who live near oil and natural gas ...
